Luxury and Affordability

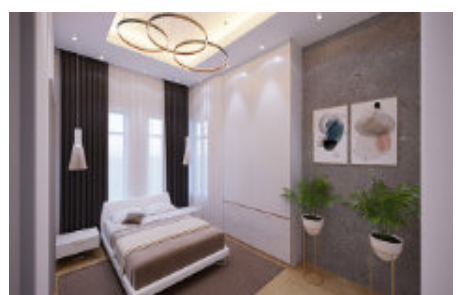

Each unit gives a feeling of comfort and intimacy with an unclouded sense of lavishness and luxury. It offers serenity and solitude which gives the perfect solution to an uproarious business district. With standard-sized living areas, solar inverters, glazed balconies and walk-in fitted kitchens, each unit promises to provide a pleasant experience for young professionals.

High Living Lifestyle

The apartment developments are located in desirable inner-city suburbs where house prices are skyrocketing. These are suburbs with plenty to offer residents - proximity to the central business districts, and a stride to facilities that services essential basic comforts.

With great short-let options available and amenities like gym and ante room which gives a warn sense of a high-living lifestyle community that are commonly desirable.
